PETITIONING THE COURT

To incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on 5/6/2022 and 6/30/2022.

On April 11, 2022, Mr. Dehnel's conditions of supervised release were explained to him and he signed said conditions acknowledging an understanding of his requirements.

The probation officer believes that the offender has violated the following condition of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

9	Special Condition #4: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.
---	---

Supporting Evidence: The offender is alleged to have violated special condition number 4 by ingesting controlled substances, methamphetamine and amphetamine, on or about July 5, 2022.

On July 5, 2022, Mr. Dehnel submitted a urine specimen at Pioneer Human Services (PHS) that returned presumptive positive for methamphetamine and amphetamine. At that time, he signed a denial of use form indicating he had not used said substances. The urine specimen was thereafter sent to the national drug testing laboratory and was confirmed positive for methamphetamine and amphetamine.
